Morgat, Crozon, Brittany. As one of the most beautiful beaches in Finistère, it is nestled between the marina and the tip of Rulianec. Very family oriented, swimming is safe but not supervised. To the east, towards the tip of Rulianec, the site is narrower and there are many pebbles, especially at high tide

# AMANDA DESOUZA

Amanda Desousa started dancing at the age of 3 and has never stopped. She spent her dance training under the direction of Shelley Tookey and Teresa Gibeau at Shelley's Dance Company competing and performing across Canada and the United States. She has completed her Al Gilbert Tap Exams, has earned her Junior ADAPT Syllabus Teaching Certificate and is currently working on completing two additional certifications. Amanda has been fortunate enough to adjudicate for many dance competitions and festivals as well as guest instruct dance intensives across western Canada.

At the age of 15 Amanda started teaching at a small community league in the South Edmonton area and successfully grew the program into a full dance program. Amanda's Academy of Dance opened in September 2001 and Amanda is thrilled to be entering her 23rd season.

Amanda's dancers have had tremendous success in Edmonton, across Canada, and in the United States. Her dancers have performed and competed in Las Vegas, Disneyland, Disney World, New York City and most recently they made a repeat trip to Disneyland this past Christmas to participate in the Dance the Magic Christmas Spectacular. Many of Amanda's students have moved on to professional careers and can be seen on and off Broadway in New York City and in many plays and shows in Toronto and Vancouver. Amanda has also created an Elite Team Program at her studio which encourages her dancers to perform in and around the city for charity events as well as partake in numerous workshops and dance educational classes across North America. Her dancers are known for being strong competitive dancers and have had huge success at both local and out of town competitions. Amanda has been recognized for over 100 choreography awards and has been awarded multiple "Choreographer of the Day" and "Choreographer of the Competition" awards. She has also been nominated for the YWCA Woman of Distinction Award.

In addition to competitive programming, Amanda has created and directs an "All Star" dance program which is designed for any dancer with a disability. So far this program has been able to welcome over 25 special needs dancers into her studio and has given these amazing kids the opportunity to dance and compete. She is excited to continue developing this program and is working hard with her staff to offer the best opportunities possible for all dancers with disabilities.

Amanda is an extremely dedicated studio owner, a supportive teacher, and is the leading force behind Amanda's Academy of Dance. She teaches Competitive Tap, Jazz, Lyrical, Variety and Musical Theatre at her studio as well as the Adult Dance Program. Amanda is very excited for her 23rd season of dance and feels blessed to fill her days with all her amazing staff and students.
